

Important Dates

May 2: AR Fun Day

May 9: Field Day

May 23: Last Day of School

Reading: We will do our final reading assessments this month to see how much we have grown as readers!

Writing: We will learn how to write cursive and many of our writing lessons will be integrated into science and social studies.

Science: Students have been researching a topic of their choice. The week of May 5th they will present their learning to the class. Class time will be provided to prepare these presentations. Then we will study health at the end of the month.

Social Studies: We have started learning about career clusters. This month students will choose one career they might want to pursue when they grow up and research that occupation.

Math: We will be focusing on math fluency as we review concepts we have studied this year. Please make sure you are studying your basic facts at least two times per week!
